### Warning

**PROHIBIT** ● Do not attach a sharp tool, such as drill, because they are dangerous. ● Do not use the product if there are frayed threads or broken, deformed, or loose metal fittings. ● Since the fabric part is made of polyester, do not use the product in the high temperature environment or near fire. ● Do not disassemble or remodel.

**CAUTIONS** ● The sleeve may move upward to loosen the bit due to the impact during carrying or using, and the bit may come off. Please be careful especially when using this product in high places. ● Do not hang objects exceeding the load capacity on the grommet. ● Hold the bit firmly when attaching and detaching to prevent accidental dropping. ● Insert the bit deeply and confirm before use that it cannot be easily pulled out. ● Key adapters from other manufacturers cannot be attached to the Quick Catcher. ● Do not use the product for purposes other than intended. ● Keep away from pacemakers and other items that may be affected by magnets.
