Adjustable Electrician Knife No.DAK Hoder for Adjustable Electrician Knife No.TPK

Electrician knife with
a length-adjustable blade.
Dedicated holder is released
at the same time!

● Specifications, dimensions, and others may be subject to change without prior notice.

Adjustable blade length, according to the wire sizes. Effective power transmission. Safe and comfort work!

[Safe] Slit Blade for Splitting Sheath

Can split the sheath of the VVF (VA cable) while the blade is fully stored in the body.

[Safe] Anti-drop lanyard attachment hole

Attach an anti-drop lanyard and prevent accidents due to dropping of tools.

[Safe] Elastomer Grip

Diamond-shaped pattern on the body fits the gloved hand and prevents slipping.

POINT 2

Dial-type Lock

Prevents the blade from rattling. Enables to cut with accuracy. (Reverse screw is adopted to avoid easy loosening.)

POINT 3

2 types of blade material to choose <Interchangeable>

Alloy tool steel for easy sharpening of the blade edge.

DAK-1 (Replacement blade: DAKB-1)

Rust-resistant stainless steel blade

DAK-2 (Replacement blade: DAKB-2)

As the blade is removable, it is easy to sharpen it.

Because of blade thickness, the blade edge will not go deep into the cable or damage the wires, either.

Blade is Replaceable.

Blade can be taken out after removing the cap and pushing out the slider.

Slide Lock

Adjust the blade length with the slider. It does not move when the hand is off.

POINT 1

Adjustable Electrician Knife No.DAK

Overall Length 172mm

Thumb Pad

Can transmit power firmly to the blade.

Released at the same time

Dedicated holder retaining the tools securely.

The Adjustable Electrician Knife can be put into the holder smoothly. Special shape prevents dropping. Comes with a D-ring to attach an anti-drop lanyard. Supports the belt width up to 60mm.

Caution Keep the blade into the body when taking it in and out of the holder.

TPK-10 for 1pc. Adjustable Electrician Knife
TPK-20 for 1pc. Adjustable Electrician Knife and additional 1pc. of tool such as wire stripper, and so on.
TPK-30 for 1pc. Adjustable Electrician Knife and additional 2pcs. of tool such as plier, and so on.

POINT 4

Max. Blade Length 63mm

Blade has a 5mm slide pitch and can be stored inside the body. Compact and convenient to carry.

Applications

For splitting the sheath of VVF cable (VA cable) and CV wire, cutting PF pipes, making plane the board opening, and so on.

VESSEL

The neck shape retains the Electrician Knife securely.
